RiteCare and Other Scottish Rite Charities

RiteCare provides early intervention, diagnostic, and therapy services for children suffering from a range of communication and learning disorders. The Scottish Rite of North Carolina supports clinics associated with Appalachian State University in Boone, East Carolina University in Greenville, Western Carolina University in Cullowhee, and the Center for Rehabilitation Care at the University of North Carolina UNC Hospitals.

Through your support, children, many of whom might otherwise have been institutionalized and totally shut off from society, are given the opportunity to become productive and engaged citizens.
